Look through design magazines and clip pictures of styles and looks you like. Bring these to the meeting. Here are some items to look for: *Sinks *Faucets *Showerheads *Tubs *Cabinet Hardware *Bathroom Lighting *Medicine Cabinets *Mirrors *Bath Accessories (towel bars, robe hooks, tissue holders)

Come up with a preliminary budget for the project.
If necessary, contact your builder/plumber to determine the impact of going over budget on upgrades.

Budget: \$ _____

Bring your plans or blueprints to the meeting. (At least measurements if you have them.)

Bring samples of colors, wall paper, tile/stone, countertop materials, paint chips and any other items you would like to match.
Note any special requirements you have (for example, if you have someone very tall in your household, you may require a larger bathtub).
Take a look at plumbing manufacturer websites to get a sense of current styles and narrow down your style preferences.
A list of websites for products we carry is on the next page.

Make a list of people you are working with on the project, including the builder, plumber, contractor, etc.
