

**Attention
Plumbing, HVAC, Refrigeration
& Hydronic Professionals**

**IOWA STATEWIDE LICENSING
BEGINS IN 2009**

Who is required to get a license or certificate? All classifications in the plumbing, HVAC, Refrigeration, & Hydronic trades:

- Master license
- Journeyman license
- Apprentice license
- Medical gas piping certificate
- Exemptions on Web site:
www.idph.state.ia.us/eh/plumbing.asp

Important Dates for Plumbers and Mechanical Professionals

January, 2009	State licensing applications will be available
June 30, 2009	City and subdivision licenses become null & void
July 1, 2009	State licensing is required and takes precedence

Don't let licensing requirements take you by surprise

How do I stay up-to-date with changes occurring in the licensing program?
